For Pelican Boardwalk Construction Project  
Award No. 324-07, Amendment 1  
March 2008***

All changes to the award conditions are noted below.

***1. Scope of Work***

This amendment corrects the match amount listed in the original award documents. The correct match amount is \$29,779, a difference of \$2,689.

With regard to Section 4 (Direct and Indirect Costs) of the Award Conditions document, the language has been revised to the following:

Direct costs associated with the Pelican Boardwalk Construction project are allowed under the Memorandum of Agreement (MOA) between Denali Commission and DOT&PF. Indirect costs, established through the DOT&PF Indirect Cost Allocation Plan (ICAP), are allowed as established by DOT&PF and approved by FHWA for Title 23 funds. The Denali Commission recognizes that these rates fluctuate each fiscal year and therefore retains the ICAP on file for reference. Please refer to the cost principles regulations for specific details on other allowable charges under this Award.
